ANNUAL SPENDING

"I am so thankful for the PTA - without them, we wouldn't get to go on field trips or have great parties every year! And I am so thankful for the PTA parents who make the carnival happen - it's amazalicious!" - Rachel Starr, 6th grade

"As a new-to-Corey teacher, multiple things always occupied my mind, but I quickly realized I was not alone. Our PTA members are like teacher Fairy Godmothers. They not only take on the big tasks and events, but they also take care of the little things. Things that are unnoticed but make all the difference! The workroom was always stocked, copies magically appeared in my box, and parties were planned and executed perfectly. All I had to do was enjoy the afternoon with my students! The list is endless, and all I have to say from the bottom of my teacher heart is thank you. Thank you for allowing me to stay focused on what's important: the students!"
-Viridiana Guardado, Teacher
