

welcome back

COREY CUBS

As we start a new school year, I am thrilled to extend the warmest welcome to all of you on behalf of the Corey Academy PTA. Whether you're a seasoned veteran or a brand new cub, we are so excited to have you at Corey!

At Corey Academy, we firmly believe in unlocking the incredible potential within each and every child. As parents, educators, and community members, we understand the profound impact we can collectively make on our students' lives.

Our mission as the PTA is to make every child's potential a reality.

The Corey Academy PTA serves as the ultimate support system for our school community. Through our dedicated efforts, we coordinate volunteers, provide enriching programming, organize teacher appreciation events, help fund engaging field trips, offer teacher reimbursement, and proudly present the Dean P. Corey scholarship each year to a graduating senior in AISD. The annual carnival, spirit nights, multicultural celebrations, holiday store, field day concession stand, school dance, and many more activities are just some of the ways we contribute to the vibrant life of our school.

It's important to note that **anyone can join PTA because everyone can back the future!** Whether you are a parent, guardian, grandparent, teacher, staff member, community member, or neighbor, you have a role to play in the education and growth of our students. Joining the PTA doesn't necessarily mean you have to volunteer your time, although your involvement is always welcome and greatly appreciated. The best way to show your support is by becoming a member, showing your commitment to our shared goals.

Corey is defined by its beautiful diversity, where each individual's uniqueness contributes to the rich tapestry of our community. We hope you know that you are valued, seen, welcome, and wanted. Your presence, your voice, and your support make a significant impact, and we cannot wait to see the amazing things we can achieve together.

In this packet, you will find important links and information, including opportunities to join PTA, sign up to volunteer, and so much more. I invite you all to follow us on social media to stay updated on our activities, events, and achievements. Together, we can continue to make Corey a true reflection of our amazing community.

It's a great time to be a Corey Cub!

Yours sincerely,

Kimberly Leman
